**In Clinic consultation** Dr Foote can travel to your clinic and provide a customized plan for you and your staff.

**The process:**

**Start the day with a 1-2 hour walk through / observation of current staff skills, clinic environment and protocols for low stress patient care.**

**Presentation of Low Stress Handling, including live animal demonstration and staff training 2 hours – 4 hours**

**Meet with Practice manager / medical director to review priorities, protocol creation and timelines for training. 2 hours**

**Additional days or time for training can be added according to the needs of the clinic.**

**On site consultation/ presentation** - 2 hour minimum at \$400.00/ hour 75 miles or less from Tuscola IL.

\$1600 minimum up to 4 hours of consultation time over 75 miles from Tuscola. There may be a higher minimum consulting rate to clinics over 100 miles from Tuscola IL.

CE available depending on the presentation

Videotaping and recording is allowed upon request of Dr Foote for clinic use only.

A pdf copy of the presentation will be sent to the attendees or clinic manager for onsite

**All expenses reimbursement involved for the consult will be additional to speaking/consulting fees:**

**Air Fare / parking/ mileage or car rental/ gas/ travel time \$60.00/ hour/ Housing/ additional staff costs for training including travel costs.**

**Reimbursement timing:** All other expenses reimbursed within 30 days of the event. Reimbursement after 30 days subject to billing fee at 1% of balance due charged monthly.

**Cancelation policy:** Speaking events canceled less than 10 days prior to the event will result in a charge of 50% of the speaking fee, and reimburse all reservations including cancelation charges.

## Live stream video presentation and staff training

A second option for a clinic consult is using live stream video conferencing. I have presented using this method very successfully. If it is difficult to find the time or the budget for an in person clinical consultation this method is the next best thing!

Contact Dr Foote to find out more about this option.
